### **“Free Fur All: The Knotzi Furry Con Trainwreck (Live Clip) by Deadwing Dork**

#### **00:00 Introduction**

00:03 [Music] ...there you go. So, background: [reading from an existing google document, prepared for such an occasion]

00:05 “Free Fur All ’22, happening this weekend, 29th to 31st of July, in Glenpool,

00:12 Oklahoma, is a *free speech furry convention* started by

00:17 Peacewolf, an infamous figure in the fandom. She's a conservative Christian

00:22 with multiple ties to far-right furry groups,” uh, “including Nazi Furs. The con tagline

00:29 is “Back to Our Routes,” clearly a pun on the con’s Route 66 theme but, -” I don't know what

00:35 that means, isn't that the Bob Dylan album? I don't know, “-but considering all the Nazi Furs on staff, it's certainly a

00:41 Choice. In 2020, she helped found the Awoo Association, which supports Safari's

00:48 Sanctuary; a wildlife sanctuary, whose Tiger King level mishandling of wild

00:53 animals has been so egregious, that it had its zoo license revoked. They have

01:00 done such things,” uh, “they've done things such as allowing kids to paint

living tortoises' shells and allowing people to  
01:07 free swim with alligators. A man was also mauled to death by a Liger there,  
at  
01:13 some point, according to wikifur.com." Uh, isn't a 'Liger' the thing from  
Napoleon  
01:18 Dynamite? Is that even real? I don't know, that sounds like bullshit. I don't  
know, that might be a joke. I got- I'm skeptical  
01:26 about that. Have they made Ligers yet? Maybe a guy got 'pawmped' to  
death by another furry. I don't know. "Awoo is the  
01:32 Central," sorry, "Awoo is the official organization behind Free Fur All '22  
and  
01:39 proceeds are going to Safari's Sanctuary. The most notable "feature"  
01:44 is the presence of groups like the Furry Raiders on staff. The Furry Raiders  
are an infamous Nazi Fur group led by  
01:52 Zoophile, and pedophile, Foxler, who also attended Free Fur All-" uh,  
01:58 brief warning, but everything said in this stream is just, you know, just, just  
opinions. I don't know, I don't know. I  
02:03 can't verify any of this. I don't know how much to- how true any of it is. I,  
hey um, don't sue me, pal.  
02:08 Um, let me take a look here. Take a look at Chat, make sure I'm being  
heard. 'They are real,' they're real?  
02:16 Ligers are real? Ah, what- is it anything like the Corals, from Final Fantasy?  
Do they have, like,  
02:22 electric powers? Uh, ah, that's cool. A real liger death. Oh, epic: I want to  
die by- I want to 'die  
02:30 by Liger.' That's a way to go out. That guy's lucky. I mean, rest in peace, but,

shit,

02:36 put that one on your fuckin' tombstone. Goddamn. Uh, "[in] 2021, Free Fur All briefly lost its

02:42 reserved convention location because the owners of the first location caught wind of all this, and, understandably, didn't

02:49 want to be associated with it. The con soon found a new home, but not without milking the change of venue as an

02:55 attempt to 'cancel the con,' and making associated swag and merch for it. The

03:01 brief loss of venue also led to some FFA supporters making death threats online.

03:07 Including Cani Lupine [sic], who was just arrested for *domestic terrorism* in West

03:14 Virginia this month, after making threats against the life of West Virginian

03:19 politicians and USA vice president Kamala Harris." Now, we can all agree, fuck

03:25 Kamala Harris, but come on now, furry man. Settle down, settle down. I don't want to have to turn

03:31 on CNN and find out that furies are fucking plotting insurrections, all right, because I will- I-I don't care.

03:39 I don't care if 'not all furies,' I-I-I will- I will, I will, gleefully, take

03:44 part in that war. I'm just saying it, I'm going to say it right now. I'm drawing my line in the sand, when it comes to the

03:50 culture war. If it's us versus the Furies, I'm on the side-

03:55 I'm going to be- I'm going to be fuckin' on the front lines. I'm just letting you know, now. But, uh, but, uh, you know, that

04:02 being said, don't- don't- don't send any threats to anybody. Come on now,  
we don't need to- we don't need to start the Fur  
04:07 War. Uh, "needless to say, this stellar reputation, combined with the twin  
04:13 threats of COVID and Monkey Pox, have not been great for attendance. In  
accordance to one head count, there were  
04:19 only around 85 attendees, not including con's staff. In other words, a more  
04:24 pathetic turnout than Dashcon. One notorious attendee has been  
Crusader  
04:30 Cat [sic], a cat furry with a Dylan Roof style haircut, who is a Christian furry  
who  
04:35 hates sex and gay people, but loves feet." Yeah, feet!  
04:40 "And," uh, "cats. Hilariously, a FFA group photo shows him wearing a shirt  
that  
04:46 says 'Nazi Furs don't exist' while Foxler poses nearby. Another participant  
is Diesel Raccoon [sic] a  
04:54 conservative baby fur who has, in the past, tried to get help from Texas  
governor Greg Abbott and senator Ted  
05:00 Cruz to aid the furry fandom's attack from antifa cancel- cancellation. This  
is  
05:06 because he had been booted from a Texas fur con, over harassing people,  
and was butthurt." Once again, this is just what  
05:12 I'm reading. I don't know how true any of this is. For all I know, these are  
lovely people... most likely not.  
05:19 Uh, "further guests include Kyber[sic] and JasonFX[sic], who have created  
dog rape  
05:25 videos together. Jason started dating" Oh, wait- oh, uh oh,

05:31 Someone's come to visit! Who's that? Oh, oh, it's our little buddy. Here he is, he-

05:38 he's there. Oh, he's rising! He be rising!

05:44 There we go; just hide him down there, real quick. Um, let's see, "Jason started dating Kyber

05:51 when she was 15 or 16 and had her do VA work for his animated furry porn at the time." Oh,

05:56 you know, it's- there's not a lot of romance left, in- in this- this- this day and age. "Finally, the

06:02 VIP guest of honor is furry comedian, quote unquote, Two, the Granting[sic] Riffen[sic]," Yes, Two is his

06:09 Name. Yes I'm, uh, vaguely aware of Two, the Granting[sic] Riffin[sic] and the fact that his name is

06:16 Two -comma- The Granting[sic] Riffin[sic] is just- "Granting Riffen." That's what I just said. That's

06:22 very good. That's- that's his side- that's his alt channel. That's like 'Two Danny Too Furious.' Two, 'Two Ranting To Griffin.'

06:28 Um, but uh, yeah. That's- that makes things slightly, uh, confusing, that name. But, uh,

06:34 "he's defended Foxler's child grooming before, suicided ba- suicide baited people,

06:39 and ranted about how he doesn't care about slavery. Oh and one of his DVDs shows his fursona in a Nazi uniform on

06:46 the cover, and has a swastika on the DVD itself." Well, shit. You know, I-

06:53 it's like that thing where, ah, you know, your parents come back, after they've been gone for the long weekend. And you

07:00 have to sweep all the fucking beer cans, and the dildos, and, like, the used condoms, into the closet. And, and, they come back

07:07 in and you, you've- you've just gone to all this exhaustive effort, and then you've forgot to take down the giant

07:12 Banner, behind your head, that comically displays the words "Orgy Tonight." Uh, that's- that's basically what that is;

07:19 Uh, parents walking in and going, 'huh, this is looking pretty clean for the orgy,' I

07:24 don't know, 'you're doing pretty good, for a Nazi.' Yeah, this is good. Uh, so we got some official

07:29 links here, and I will, uh, i'll actually start showing things. Here, let me see, "worthwhile links," let me take

07:37 a look here. So, I guess this is the official site

07:42 of whatever the fuck this is, fuck con 2022, um

07:49 and uh (browser)

**07:52 The official site (lame)**

07:55 "Getting back to our "routes,"" and I don't know what "route 60 or whatever the fuck this is," I don't know what that is. Is it

08:02 anything like Order 66? I don't know, but, uh, it's probably some kind of, like,

08:07 I'm assuming, it's some kind of like confederate flag, "it's our culture," some- some kind of thing

08:12 Like that. I don't know, I have no understanding of it. But, oh boy, that's-

08:18 that's very skin toned. "Route 69," haaa hahaaaaaa. This is the official website. Um, the

08:25 ceremonies have already started. "Proud to Present a Different Kind of

Convention" fueled exclusively by bitcoin; and shit

08:33 Coin; and fur coin; and yiff coin. "Free Fur All 2022, Getting Back to Our

08:38 Routes." So, does this have anything to do with, uh, Kunta Kinte? Like that  
kind of Roots? Or

08:43 No. Uh, "Los Angeles – Tulsa - Chicago "Prepare for a classic road trip!  
They don't make things

08:50 like they used to" yeah, now with all the blacks. "Tha[sic] this year, we're  
celebrating" Hang on,

08:56 can I make this, uh, by the way, we're all just making jokes in the stream,  
"they don't make things like they used to. This year we're celebrating  
anthro by getting

09:03 back to our routes[sic] where it all started- a love for animals. Whether you  
come from near or far,

09:08 from Chicago or the LA side, join us on a road trip to the American  
heartland along the Mother Road, Route 66, for

09:14 America's Anthro Convention in Tulsa, Oklahoma, and don't forget to take  
that left turn at Albuquerque!"

09:22 So, which five-year-old drew this art? I sure hope this wasn't- is it better,  
because, here's the question: is it better

09:28 if this was made by an adult, because that means that an adult made this,  
or if it was made by a child?

09:34 Because that means that a child had to be, in some way, associated with  
anybody involved with this furry, this, this uh,

09:41 this Nazi furry con. And, and when I say Nazi I merely, I merely mean n-o-t-  
s-i. It's just Nazi. It

09:48 doesn't mean you're a Nazi, it means you're not a Nazi, necessarily, you

might be, I don't know, but you're a Nazi. You're,  
09:54 you're not- see, it's fine. It's not- it's not- it's not slander there. The way I'm  
spelling it in my head, it's not slander.  
10:01 Don't worry about it. "Flapping his beak more than his wings." Oh,  
"originally an Oklahoma native, Two "*the*  
10:07 *Ranting*" Gryphon," I love the way this is- this is stylized, because  
everywhere else,  
10:13 it's the number two -comma- the Ranting Gryphon, but here, it's like his  
name is  
10:18 Two Gryphon and his middle name is- his nickname is The Ranting, which  
is, I  
10:24 Mean, I don't know. This just sounds like a Dark Souls boss. Um, but I don't  
know. Maybe his fursona is  
10:31 officially named "Two Gryphon." That's very bad. I wonder if there's a Seven  
Costanza  
10:36 that he knows. Uh, "Will be returning to his 'routes' in Oklahoma, at Free  
Fur All 2022, to provide you with evenings of  
10:43 comedy and his trademark rants." Oh man, some wacky rants! I can't wait  
till he tells us what he thinks about the  
10:49 Polynesians. Uh, "be sure not to miss out on a chance to meet and greet  
this community icon and attend a rare  
10:54 opportunity for one of his live shows. Pre-register for Free Fur All today"  
11:01 Also, be sure to pre-register blah blah "2 "The Ranting" Gryphon" uh  
"crawled out from under the...  
11:08 ...Unfortunately, in 2016, his excursion in comedy was considered  
"cancelled" after

11:14 being accused of being a “homophobic transphobic raci-” All of the things.  
All of the things. The

11:20 the Power Rangers of, of, bigotry. Um, uh, “for the usual sin of publicly  
declaring

11:26 a belief and passion for the concept of Free Speech.” Well, I mean, here's  
the thing. Free Speech is

11:32 Wonderful, but it's just a thing where, it's like usually, for most of us, it's,  
like, well that just

11:38 goes without saying. But for some people, it's kind of one of those things,  
like, the Free- Free Speech is the amuse-bouche

11:44 to the conversation, the appetizer where you start it- you lead in with, “oh  
yeah, I’m really passionate about Free Speech,”

11:51 and then you segue into the next segment, with uh, “and you know, let me  
tell you why the Jews don't want you to be passionate,”

11:58 and you know that- that just, it just kind of ruins everything. Um, so I mean,  
I don't know. I don't know much about this guy.

12:03 I’m not uh pointing any, uh, talons or fingers here, but uh, but uh, I don't  
know. I- you often hear

12:10 That, like, “oh come on, Bro. I was just standing up for Free Speech.” And  
it's like, well,

12:15 you know, you killed five people. I don't know, uh, you know, there's other  
ways to do it. Like, I don't know, there's uh- there's a

12:22 Lot, you hear that a lot, is all I'm saying. Uh, “What is an Anthro  
Convention?” Hang on, I have to drink some

12:28 Booze. Thank God. Oh, thank God for Jack Daniel’s.

12:34 “A celebration of all things furry. An anthro convention is a popular culture

convention except instead of being  
12:40 themed around comics or anime, anthro conventions are themed around  
animals. Do you enjoy mascots or cartoon animals?  
12:47 Then this is where you belong. An anthro convention is an occasion for  
Anthro" See, I love how they like  
12:53 kind of pussyfoot around, like, I wish a convention like this would be,  
12:58 would be willing to just go, like, 'Yeah, we are this way, we feel this way, and  
13:04 Generally, we think this' and not have this thing that's like, 'Oh, come on  
down!  
13:09 If you like Bugs Bunny, you'll have so many new friends to meet!' Like,  
come on, now.  
13:15 Can you imagine somebody, they just, like, scroll through the page, they're  
just kind of skimming through it, they don't see all the info they just see this  
and  
13:22 they're like, '*oh this sounds like something I'd be into,*' you know, they  
played Klonoa once, 15  
13:28 years ago, and now they're like 'Oh sure, I'll go to the anthro convention,'  
and then they go there, and they just wind up  
13:34 with a fuckin' MAGA hat. They didn't even buy, it they just got it. They just  
got it, they just- was put on their head. They  
13:40 didn't even notice. Uh, "pre-registration pricing." Wow, fuckin' 50 dollars,  
13:46 40 for regular. I guess that's- I guess that's fine. Uh, sadly, it's too late to go  
now. I think  
13:52 today was the last day of it. "Don't get stuck without a place to stay!" Um,  
13:58 Yeah. So, I mean, that's the main website. There's about Awoo here and  
some stuff like that,

14:03 but uh, I don't know. I don't uh,  
14:09 I don't feel the need to uh, I don't- I don't feel the need to read more from  
that website. That, that website  
14:15 is just- the annoying thing- I always hate official websites for anything,  
because they're always so official and it's so  
14:21 fucking stuffy and obnoxious and it's like, come on. You're like a bunch of  
fuckin weirdo  
14:26 right-wing furies who, let's be honest, would be the first to be fucking  
killed by the Nazis. If furies existed in World  
14:33 War II, the Nazis would have, like, fuckin' buried the hatchet with the Jews,  
and just been, like, 'all right. Can we just focus  
14:39 our efforts on the real villains, here? Right now, real quick- we'll settle our  
differences later- but come on, now. Look  
14:45 at these fucking people.' Uh, and so, you know, I'm just saying, anybody  
who's a Nazi Furry- it's always just immensely  
14:52 Hilarious, like, 'oh, you really think that's- oh. Oh, that's adorable.' Um, but  
yeah.  
14:59 That's uh, that's their, that's their website. And you know, it's again- again  
it's, uh, it's one of those, like,  
15:06 it's one of those fuckin', you know, just, you have to, like, read the fine print,  
read between the lines, like 'oh, what do  
15:13 they really stand for? Oh. Oh God.' I hate shit like that. I wish these things- I  
wish sites like this would just wear  
15:19 Their shit on this on their sleeve. It's very annoying.  
**15:22 Twitter threads with the scummy details**  
15:25 Um, next thing. Let's see, what do we got here. This is a twitter thread. Uh

*Transcript + Endnote Citations:*  
"Free Fur All: The Knotzi Furry Con Trainwreck (Live Clip)"  
| *DeadwingDork (Aug.2022)*

it's apparently about a history of mishandling animals and abuse, uh, from  
15:31 This, uh, this like charity thing that this, uh,  
15:37 Awoo Organization supports. I think it was Safari or something, 'Safari  
15:43 Sanctuaries history of animal mishandling and abuse.' All right, well first of  
all, I don't,  
15:49 I don't know. I don't know anything about this situation, but I will say the  
person that posts, posted this information, on  
15:56 Twitter, uh, says that they are a 'polyamorous, non-binary, (no pronouns  
16:02 please), therian,' uh, with uh, 'hashtag black trans lives matter,'  
16:09 so, I mean this is a wonderful person. This is a good person, don't you  
worry about that.  
16:15 This person is verifiably good. They have nothing bad about them. They  
support all  
16:20 the right things. They feel all the correct things, so that's very good. They-  
they have- they've checked all the boxes,  
16:27 of correct opinions to have. But the thread goes as follows. This person  
writes, 'while it's too late for' uh 'T.T. Fur  
16:33 Con,' which is the, um, Tulsa Oklahoma Furry Convention which is,  
16:39 uh what, uh where- where that- what this is, I think, this is, like, I'm not sure  
if this is the same thing.  
16:47 I'm not sure if this is the same thing or what it is. I guess The Tulsa Furry  
Convention is hosting the Free- the freaking  
16:55 Not- not- n-o-t-s-i Nazi people, um, but whatever, "it is  
17:01 too late for fur con, Tulsa Fur Con this year. With their event days away, I  
would like to call for them  
17:07 to no longer support Safari's Sanctuary going forward. In this thread, I will

document their issues with mistreating  
17:13 their animals as well as their ties with Joe Exotic. First, let's get the largest  
pile of  
17:19 evidence out the way. Most of these complaints are much older, but show  
a history of animal abuse." I  
guess I'll show the thread actually, hang on. Bring this up, on screen.  
17:24 [Music]  
17:30 "show a history of animal abuse." Uh, "the situation surrounding an  
employee  
17:35 who was mauled by a liger named "Rocky,"" Wow, they really are real  
things. What the fuck, okay that's- I thought that was like  
17:41 a fantasy animal, what the fuck, uh "Named "Rocky" will become  
important in a moment."<sup>1</sup> I'm not clicking on whatever that is. Uh,  
17:48 "that incident involved being in a cage with the liger while it was eating.  
Lori Ensign, who runs the facility,  
17:55 claims that this is dangerous and goes against policy for Safari's  
Sanctuary. Well...<sup>2</sup> 'Rocky has been at Safari's for 12  
18:01 Years. One month ago, he attacked volunteer worker, Pete Getz. The man  
was feeding Rocky, which is normally done by  
18:07 throwing food over the fence, but Safari's owner Lori Ensign says Getz  
didn't follow safety guidelines and went  
18:14 inside Rocky's cage. She didn't know why. "So that day they cut corners  
or ... I don't  
18:19 Know," said Lori Ensign with Safari's Sanctuary." Uh, so I guess that's the  
official story  
18:25 about this guy who died. Once again, this is, of course, the- the uh,

- 18:31 the charity that is being endorsed by these people, that I guess they're saying
- 18:36 *no, no. We're not bad people, don't worry, we've- we support a charity, and this is the charity.* Uh,
- 18:43 "Here she is on video as recently as 2017 engaging in the exact same behaviors that got one of her employees killed."<sup>3</sup> I
- 18:50 am not fucking clicking on a Facebook Watch video right, now Jesus Christ. Um, um, "here she is allowing a

- 19:05 mauled himself."<sup>4</sup> Oh wow, this is like when you see a little tiny woman and she's got like a gigantic pit bull
- 19:11 and you're just like, *oh man, I'm crossing the street. I don't care how much control you think you have on*
- 19:17 *that leash, sweetheart, sorry.* Uh, yeah no, I don't- I don't know who's- I don't know who's- you, you- Sigfried and
- 19:24 Roy couldn't fucking hold on to their goddamn tigers. This- this, like, 92-pound
- 19:30 woman is not gonna- not gonna be able to do it. Uh I- I- I say as a- as a- you just
- 19:36 cancel me, now. It's fine. Uh, "she has also allegedly allowed minors into a cage with animals for movie nights which is
- 19:42 incredibly dangerous and unsafe."<sup>5</sup> Um, movie nights what the fuck? Minors into
- 19:49 the cage with them? What the fuck? Jesus Christ. Uh, "this comes as no surprise

19:54 Though. Lori is often shown treating these big animals more like pets than  
the incredibly powerful and dangerous  
20:00 creatures they are.”<sup>6</sup> Oh this is the type of woman who watches the movie  
Roar and sides with that fucker. Do you think she  
20:07 wants to fuck this thing? You think she *does* fuck this thing? I mean, you  
know, I’m not out here to  
20:12 slander anyone, I’m just speculating. This is speculation. This is my  
guessing, you know, I’m just guessing, like, I don't know.  
20:18 Do you think? She’s got this big fucking giant tiger thing, you know she  
wants to be mounted by this fucker, you know she  
20:25 wants to be nodd[?]. Allegedly. Allegedly. Not- not saying anything for  
certain, I’m just saying.  
20:31 That's just my, I’m just saying. Uh, “there's a pattern of behavior that goes  
way back,” uh “with her  
20:37 even allegedly allowing two small children to lay down next to a 40-pound  
tiger cub.” Jesus Fucking Christ. Why would you ever-  
20:45 “she also doesn't keep said cub away from other smaller, defenseless  
animals.”<sup>7</sup> The thing is, it's like okay, I get it. Yeah,  
20:51 it's cute. Tiny tig- tiny tiger next to tiny child, it's  
20:56 Cute, I get it. But don't do that, you know? Do not do that, uh, unless  
they're  
21:03 the most tamed animals in the world. Uh, I don't know. That's- that's pretty  
fucked up.  
21:09 Especially if those aren't *her* kids. I mean, I don't know if those are her kids.  
‘Allowing two small children,’ that doesn't  
21:15 say they're *her* two small children. So there's just some other family who's

27:01 that was just a little bit embarrassing, but, uh, that's fine. That's fine, I see your point. I see your point, I'm with you.

27:08 I'm with you. Um, let me see here what we got the Tragic Dance Floor, oh dear,

**27:09 A virtual tour of a con without a pulse**

27:10 Chat, are we about to see? So, it's bad enough when you witness furry dance parties, we're about to witness a bizarre

27:15 Nat- pathetic Nazi Furry dance party. So, just, you know, buckle your fuckles. So,

27:21 this is the Tragic Dance Floor. This is what- this video- this, this, uh, link was

27:26 titled "I did not steam my arrival at Free Fur All. There is nothing going on

27:32 and it's kind of dead.<sup>23</sup>" So you have this man, who looks like he's an Odinist.

27:45 Um. That really do be, I mean, count the people: one, two, three, four, five, six, seven,

27:50 Eight. There's, like, eight people there, plus him. Jesus Christ. Talk about a fucking "bumping dance floor."

27:59 Oh god, there's a fucking American flag. There's like this sad little DJ. Oh my

28:05 God, there's, like, less than 10 people here, Jesus Christ, that is awful.

28:12 When you're- when your convention has less people,

28:17 oh we got some cool music, when your convention has less people in attendance than my stream does, in the first minute...

28:24 What? No, honestly. When your convention has less- fewer people in attendance- this stream, before I started the stream, had

28:31 about 300-something people here. I've- I'm not sure 300-something people attended this entire furry convention.

28:38 So, if your entire furry convention is doing worse than my stream, before I start, then

28:45 I don't know, man. You know you might want to just, you might want to just call a Rain Check on that, a "Rain-furrest" Check.

28:51 [Music] How embarrassing. The Furry Variety Show.

28:56 Oh dear, a twitter thread of several videos, including terrible stand up and bad singing." oh no

29:03 oh no no no no no no no no no no no<sup>24</sup>"

29:17 The hottest fuckin' moves you scum bubbling fucking cunt skunklin'

29:24 Fuckin... Chat.

29:31 Oh, hell yeah. For whenever you need to audit someone and quickly show them

29:37 their rights "GoH dinner is going on right now,

29:42 [echoing applause in adjacent room] registration,<sup>25</sup>"

29:49 so what does "GoH Dinner" mean, Good Ol' Hitler?

29:55 "the silent auction, the ball pit,

30:07 *Oh yeah! this is happening!* "the fursuit lounge,

30:13 the panel room.

30:18 Here's the game room. Yeah," don't worry, every room is rather

30:25 empty right now. "bag check, video games," one "vidja" game. Oh no, you got a Wii, you

30:32 got a GameCube. But they have a GameCube and a Wii, why not just have multiple

30:37 Wiis? They- they're just GameCubes. You don't need it- you don't need a GameCube, you just get- just get multiple Wiis.

30:45 "The Nerf course," oh hell yeah. Now, here's the thing though. Do you

30:51 really need Nerf guns if you got fursuits? Like, the fursuits are pretty  
padded, you probably just could shoot

30:56 each other with regular guns. They should try that. I think that would be,  
that would be good.

31:02 "Here's the dealer's den, ooOOoo."

31:08 Yes, a lonely, sad, singular arcade machine, of course. Wow, this is a room  
with people in it,

31:13 kind of. "Safari's, plushies, and you go-"

31:18 Well, you know, that's, like, a little walkthrough of this place, I guess.

**31:21 A gallery of images illustrating a phantasmagoria of disgust**

31:24 What is this picture<sup>26</sup> now we got some- we got some fuckin' - we got some  
swastikas here. Uh,

31:29 "So many awesome people at fur[sic] for all,<sup>27</sup>" or whatever what is this  
fucking thing called- called,

31:37 whatever it's called, for free- free for all, that's right. Uh, "so many  
awesome people at FFA,<sup>28</sup>" and you've

31:43 got this person here, Aeve Nova meeting with DiezelRaccoon. Oh, look at

31:49 That, there's- there's an armband. There's this Admin of this group, who is

31:55 this guy, also saying that he's a fascist. Um, look at this mother fucker, oh  
my god.

32:02 Holy shit! Chat members: look at this picture. Just acknowledge this, this  
fuckin'

32:08 hideous dog, fuckin' fat, fuckin' pregnant Nazi Fur, fuckin' dog beast bitch.  
Jesus

32:16 Christ, Holy fuck. Keep this fucking thing away from me! "Ball pit two" oh,

we've got a

32:22 whole gallery of the ball pit- "ball pit animal abuse?"- there was animal abuse *in*

32:28 the ball pit? Really? Oh, I'm impressed.

32:34 Oh. It's hard enough, like, you're gonna have like a dog, or something. You gotta figure they're gonna squirm away from you, you're doing that

32:40 in a ball pit, I mean, shit. That's uh that's intrepid. I don't know.

32:47 Uh, let me see here, what do we got, "doesn't matter all 'tronnies'" I don't know what that- I'm assuming that's what that

32:53 word is, Tronnies, you know people who are fans of uh, uh, the movie- the movie Tron. Fans of Tron,

33:00 Tronnies. Oh it "doesn't matter all Tronnies got the vax so,<sup>29</sup>"

33:05 fans of Tron, that's what that means. Now you know.

33:11 There's a lot of dialogue this day and age, about, like, "America,"

33:16 And, you know, what "America" means. Can- can we still celebrate,

33:21 you know, the 4th of July, in the same way that we once did, in- in light of all of the information. Don't worry. Don't worry,

33:28 because I'm here to assuage your fears, all right? Americans, non-Americans,

33:34 Uh, Moon People, there's nobo- any- whoever you are, out there,

33:40 this is, this is- don't worry about it, don't worry about anything.

33:45 This<sup>30</sup> is, uh, it's all going to be fine. He's got this.

33:50 I mean, I mean, look at him. He's got this.

33:57 And this dragon, he loves the USA, so, he's not going to let anything bad happen at the USA. He loves the USA.

34:04 So don't- it's fine. This guy, who kind of looks like one of the two dudes

from, uh, reckless eating,

34:11 Uh, it's gonna be just fine. Why does it look like the ball pit was filled in

34:17 With, like, MS Paint? It looks like someone squiggled in yellow over  
whatever was in here.

34:25 That's very weird. Why was this photo edited? That's very strange. Aren't  
you impressed by this?

34:31 They threw this whole convention. "Route 66" and

34:36 and the- the, its a banner- they made a banner. You can't just *make a  
banner*. Not- not

34:42 everyone can just *make a banner*, okay? Um,

34:49 oh God. Okay, so, so this fucker<sup>31</sup>, uh, who attended this convention,

34:56 is not only the bomber, who tried to fucking, like, threat- I guess

35:01 this is the one who tried to threaten a bunch of fuckin, like, senators, or  
whatever,

35:08 actively wore the Confed-fursuit around Anthrocon 2017.

35:14 Oh my god, Jesus fucking Christ. Again, just the, the

35:19 absolute fucking concept of people like this, going around in these dipsy  
fuckin' outfits, just, like, '*oh yeah, no, the- the*

35:26 *Nazis would like me. The confederates, yeah, no they- they- they would-  
they would really endorse my people. Yeah that's, no*

35:34 *No, we'll- we'll be the chosen ones. Don't- don't even worry about it, it's  
fine.'*

35:39 Uh, fuckin' animal creatures, Jesus Christ. They're gonna think we're being  
invaded by aliens. Hitler fuckin' sees one furry,

35:46 he's gonna think we're being invaded by fucking aliens. Jesus Christ.  
Disgusting.

- 36:04 Look at this<sup>32</sup>. Look at this individual, with this armband, and this fucking haircut. Holy shit. You

- 37:12 Uh, so this man in this image says, and I quote, from twitter, "Is it wrong for this

37:26 Night, surrounded by all black people? He's not racist.<sup>35</sup>"

37:31 Now that's what the actual tweet is like. I

37:36 read that tweet, and this is just what the tweet is. The part where he says  
"I'm not racist" at

37:42 the end, which is like comedic timing perfect, uh, yeah. He just- that's just  
there. That's

37:48 the actual tweet. I can't make it not what it is. Um,

37:53 oh God. So, the response to that tweet, by the way, "I'd say I feel nervous  
when I'm at Walmart late at night, no matter who

37:59 I'm surrounded by. Walmart has that effect on me.<sup>36</sup>" And then this guy,  
with his Barney, uh, figure says, uh, "just feel like

if anybody who's in chat, if

38:12 you're black and you encounter this guy, don't look at him too closely.  
Because this man, this man you're looking at

38:19 right now, with his Barney plushie, he means business, okay? He wants to

38:25 he wants beef; he gonna bring the ruckus. Um, "After what I'm going

38:39 "I manage a group of females and they are manipulative little bitches and  
after what I dealt with I'm not risking it.<sup>39</sup>"

38:45 These are all just quotes from this guy uh, "Damn, I like Mike Pence. Classy

38:51 Um, uh-huh, "if you're not voting for a

- 39:51 be hiding a gun inside that Barney, you don't know. "One more reason to

44:16 person's name was? Like "Diana ["Alicia"] the Hole" or whatever? Uh, maybe I shouldn't have said that. I'm not sure which one this is.

44:23 I hope this one's Jason, I hope that's Jason. Um, um,

44:29 Yeah. So, this is interesting. Some more interesting people that showed up at this event.

44:35 Yeah, I don't know. There's just a lot of "interesting."

44:40 Every person at that- on that group picture had a story to tell. Every single person

44:46 had some fuckin' wild shit happening. Um, here he is, everybody,

44:53 I'm excited to bring to you

44:58 the Owner of Sex<sup>46</sup>.

45:04 He is- you've all just been renting sex.

45:10 This is the owner, you've all just been subletting sex,

45:16 you've been Air-B'n'B-ing sex, but this is the Owner of Sex.

45:22 And he's come to collect his keys from you. Your- your Sex license has been revoked,

45:29 And, um, he's not allowing this anymore- any more of this, um, this foolishness. I think we

45:35 have well and truly discussed the weirdo Nat-Nazi furry convention. Not

45:41 that I'm saying that it's run by Nazis, I don't know that for sure, I'm not alleging anything. I'm just saying

45:47 n-o-t-s-i. They're Na-zis. They're Na Zis, okay? they're Naz-

45:53 is, so, it's fine. It's not- it's not slander. But I think we've covered that pretty well.

45:59 You get the basic gist. Today was the last day of it, and I don't think it exactly was a huge success.

46:04 But, uh, you know, if they- if they're- if they would be willing to have me  
show up next time, I

46:11 would be happy to be a guest and judge them accordingly. You know, I'll be  
like

46:16 the food critic in that one episode of, uh, Faulty Towers, where they like  
have to- have to really

46:23 fucking struggle to like impress the- the guy who's there to- to write a  
review. I'll be- I'll be that. They'll be like *oh*

46:30 *God, the YouTuber is here. He's going to make fun of us if we don't...*

46:35 Um, that'll do it for this stream.

46:39 Okay, let's see if I can do this Patreon reading without getting interrupted  
by a

46:42 random call from North Dakota, for some reason. Uh, hello everybody.  
Thank you for watching all the way to the end. Um, big

47:27 Fun, quick, little- little edit to make, and, uh, hopefully I can keep on that train of

47:32 making a couple videos every, every few days. And, uh, yeah, hope you enjoyed it.

47:37 Take it easy, everybody.

<sup>1</sup> @LiteralGrill (Allie Capps) "First, let's get the largest pile of evidence out of the way. Most of these complaints are much older, but show a history of animal abuse. The situation surrounding an employee who was mauled by a liger named "Rocky" will become important in a moment." *Twitter*, 2 Sept. 2021.

<sup>2</sup> @LiteralGrill. "That incident involved being in a cage with the liger while it was eating. Lori Ensign who runs the facility claims doing this is dangerous and goes against policy for Safari's Sanctuary. Well..." *Twitter*, 2 Sept. 2021, 1:08 p.m.

<sup>3</sup> @LiteralGrill "Here she is on video as recently as 2017 engaging in the exact same behaviors that got one of her employees killed. Fb.watch/7MLhD6btVZ/." *Twitter*, 2 Sept. 2021.

<sup>4</sup> @LiteralGrill "Here she is allowing a photographer into a cage with another liger using only a leash for safety. The man barely managed to avoid being mauled himself." *Twitter*, 2 Sept. 2021.

<sup>5</sup> @LiteralGrill "She has also allegedly allowed minors into a cage with animals for movie nights which is incredibly dangerous and unsafe." *Twitter*, 2 Sept. 2021.

<sup>6</sup> @LiteralGrill "This comes as no surprise though, Lori is often shown treating these big animals more like pets than the incredibly powerful and dangerous creatures they are." *Twitter*, 2 Sept. 2021.

<sup>7</sup> @LiteralGrill "This is a pattern of behavior that goes way back, with her even allegedly allowing two small children to lay down next to a 40-pound tiger cub. She also doesn't keep said cub away from other smaller, defenseless animals." *Twitter*, 2 Sept. 2021.

<sup>8</sup> @LiteralGrill "Here are more pictures of her allowing the same practices that got one of her employees killed." *Twitter*, 2 Sept. 2021.

- <sup>9</sup> @LiteralGrill "Lori claims that many of her animals are rescued, but this is not the case. Lori has ties with Joe Exotic, yes THE Joe Exotic from the famous Tiger King documentary. Here is a video proving this where she gropes an alligator." *Twitter*, 2 Sept. 2021.
- <sup>10</sup> @LiteralGrill "It has also been alleged that Lori and her ex-husband provided alcohol to underaged teenagers before attempting to convince them to have sex. Facebook.com/SafarisTruthDe..." *Twitter*, 2 Sept. 2021.
- <sup>11</sup> @LiteralGrill "Let it be noted that this is also the charity that @AWOOAssociation has chosen to work with for Free Fur All. Peacewolf, who incorporated the group alongside her husband, has been shown to volunteer there previously." *Twitter*, 2 Sept. 2021.
- <sup>12</sup> @PeaceWolfActual "As a lot of you know, I volunteer regularly for an exotic animal rescue in Oklahoma by the name of Safari's Sanctuary. Safari's is a wonderful place. The animals are given all the love, food, water, and shelter they could ever need. They are happy and healthy." *Twitter*, 26 Aug. 2020, 9:51[sic].
- <sup>13</sup> @LiteralGrill "Here, I would like to call for guests of honor like @OmnomThernom, @splatfennec, and @peppercoyote as well as business and artists participating in their dealer's den to use their say with the convention to help push for this change." *Twitter*, 2 Sept. 2021
- <sup>14</sup> @Istanbul777 (Waidayu Wanano) "My own personal experience: PeaceWolf, who used to be in charge of TTFC, hired me as social media liaison for 2019. - <sup>15</sup> @Istanbul777 "...then she fired one staffer for getting pregnant. And her husband started making racist jokes. And she started packing staff with people from her personal work life. That was suspicious, but it wasn't enough to get me to quit... (2/?)." *Twitter*, [30 Jul. 2022].
- <sup>16</sup> @Istanbul777 "In June of 2019, I wanted to post something to celebrate Pride month, as one does. She told me in no uncertain terms that I was not to do so, as it did not align with the values of staff. I protested this idea, because I know our fandom. She fired me. (3/?)." *Twitter*, [30 Jul. 2022].
- <sup>17</sup> @Istanbul777 "I did not attend the event because of her behavior. Retracted my Founder level membership and stayed home. Later I learned that she had been ousted from her position, and –

as I suspected she would – she took a huge chunk of staff (her personal work life people) with her. (4/?)." *Twitter*, [30 Jul. 2022]

<sup>18</sup> @Istanbul777 "TFC had been gutted by her actions, but refused to die. I rejoined staff, and we rebuilt. Recruited. Brought good people on board. We were reborn from the ashes, better than we had ever been. That should have been the end of the story... (5/?)." *Twitter*, [30 Jul. 2022]

<sup>19</sup> Ibid.

<sup>20</sup> @Istanbul777 "...but PeaceWolf double down on her awfulness. Decided to make a convention honoring 'freedom' (but only for people who thought like her). <sup>21</sup> @Istanbul777 "She got the convention hosted in a government building. Brought the Furry Raiders onto staff. Got a GoH who admitted to being a Nazi. Decided to be who she really was, out in front of everyone. Decided to create a convention to reflect her heart. Succeeded in that. (7/?)." *Twitter*, [30 Jul. 2022].

<sup>22</sup> @Istanbul777 "And here we are, July 30th, 2022. Free Fur All is a flop, a mockery of itself. Attendance numbers smaller than some local furmeets. Attendees widely socially ostracized.
