WARNING: SANGIE

00:00 Hello ladies and gentlemen welcome back
00:01 to my channel. Once again, I'm delighted
00:04 to have you guys here today and I
00:05 endeavor to enlighten your lives with
00:09 Trash. So a little while ago a bunch of
00:11 people were DMing me this tweet¹ that
00:14 someone made as a response to another
00:15 tweet I think it was about what's the
00:17 most disgusting furry thing that you've
00:19 ever seen and the tweet² in question was
00:21 talking about this dude called "Carpet
00:24 Sample" by people who've encountered him

¹ "Hey, love your videos! Hope I'm not being too annoying with a "Can you do this," but I thought this "subject" might be of interest to you, it's some kind of furry dude who's been banned and ostracized from every convention, and corner of the community." *Twitter DM*, 12 Feb 2020, 12:14 A.M.

² @DatGreenMonstah (Hazard) "[Replying to @ROTTROTTROTT] Hahaha this one dude has said a million creepy things, but I guess this one would be the highlight. "I made this suit! I used stuffed animals that I made love to before using them for the suits. It also has a vagina I can pee from so I never need to take it off" Reeked like death" *Twitter*, 9 Feb [2020]

00:27 and apparently his fursuit is a
00:29 patchwork abomination of plush toys
00:33 that he has let's say *had his way with*
00:37 apparently the fursuit is never
00:39 washed and it smells very strongly of
00:42 Urine. As I looked into this it only got
00:45 worse from there this is gonna be a bit
00:47 of a viewer discretion advised video so
00:51 you know get your Sangies at the ready
00:53 ladies and gentlemen so this³ is the man
00:55 known as "Carpet Samples" kind of looks
00:58 like a furry like zombie apocalypse it's
01:01 it's pretty disturbing
01:03 we've got like all sorts of colors we've
01:06 got like different patterns and so
01:08 there's like new colors on here I think
01:10 I saw some octarine⁴ near the near the
01:12 Gunt, but yeah we've got this we got this
01:15 weird I don't know what's going on with
01:16 this head this is this is pretty it kind
01:20 of looks like it's been fuckin' caved in.
01:22 so you can see why some people would be

01:24 interested in talking about this person
01:26 and why this might attract some
01:29 attention but again as I said when we
01:31 looked further into the case of Carpet
01:33 Samples it got a little bit more
01:36 disturbing he's been on the internet for
01:38 quite some time he's kind of deleted a
01:40 lot of the stuff but we're gonna be able
01:42 to look at some of it and we're gonna be
01:44 able to read some testimonies from
01:46 people that have encountered him. now one
01:49 of the sites that still has pictures of
01:51 his and many of these were uploaded over
01:54 10 years ago
01:55 I think the newest one on there is from
01:57 2009 we can't exactly look at his Flickr
02:00 because there's some NSFW stuff on there
02:03 but with careful editing which is
02:07 to say
02:08 cropping and mspaint I've weaned it
02:11 down so here⁵ we have the need for a
02:15 Sangie hang on this goes above
02:17 everything else thank you and yeah you
02:21 can see there's something quite a
02:24 bit not okay happening here in the top

02:28 top left I don't like this quite a many
02:32 pictures of this dog which is concerning
02:35 as we can see there's a couple pictures
02:36 of him the man of the hour himself I
02:40 believe somebody in a post we will read
02:43 shortly has described him as "a meth head
02:46 Steve Buscemi" and they're not wrong
02:50 here's some of the fursuit stuff you can
02:54 see some of this weird patchwork fucking'
02:56 cotton candy abomination we've got some
03:00 kind of sex weirdo comic up here that
03:03 looks like it was drawn in crayon yeah
03:05 here we've got a cute puppy everybody
03:07 look at the cute make sure that Sangie
03:10 is visible look at the cute puppy guys
03:12 oh yeah this this picture here in the
03:14 middle bottom "This Bitch is for You" it's
03:17 called I had to crop it at exactly this
03:20 point because below this you have some
03:22 very crudely drawn it's barely possible
03:25 to even make it out but there's some
03:27 there's some there's some some tit-meat
03:30 and some and some *vajuju* so we had to crop
03:34 it here that's some of his Flickr now
03:36 again a lot a lot of stuff on here
03:38 there's not that many pictures but a

03:45 everybody this is the archive⁷.
03:47 "ShadoWolffess is a disgusting display of
03:49 humanity that was sadly not aborted and
03:52 was thus born on March 3rd 1956 his
03:56 fursona is a sickening anal-beast that has
03:58 dongs and tits usually more tits than
04:01 dongs
04:02 he draws horrible furry porn of
04:04 characters with puckered assholes that
04:06 are more often than not spewing shit
04:08 Shadowolffess is a wildly unpopular
04:12 individual even amongst furies he has a
04:14 habit of vividly describing how he fucks
04:17 Dogs"
04:22 "No!" "not surprisingly he's also a
04:25 pedophile and has even gone so far as to
04:28 solicit a minor for sex in exchange for
04:30 alcohol he also enjoys having sex with
04:33 stuffed animals" not making any

11:04 the mangled Frankenstein costume and the
11:08 uninvited conversation describing how he
11:11 constructed his suit
11:13 isn't enough gasoline in this world⁹ "your
11:16 run-in with him and the alley sounds
11:17 like a friend of mine's encounter but God
11:19 I'm sorry you had to deal with this
11:21 thing I can't even imagine the smell¹⁰ "I
11:23 also had a very weird and creepy
11:25 encounter with him he stalked me trying
11:27 to constantly get my attention
11:29 also he smelled strongly a piss and told
11:32 me Hannibal Lecter was his hero [edit:] oh and
11:34 just so you know he wasn't trolling he
11:36 had his first suit head off this whole
11:38 time and he was clearly a disturbed guy
11:40 I remember him looking a lot like Steve
11:42 Buscemi on meth.¹¹ I think I mentioned that
11:44 earlier and you know "dude I've met that
11:47 guy at AnthroCon back in 2007 he's just
11:50 as scary as that suit is.¹² "this guy from
11:53 what I'm told made this suit out of torn
11:55 up stuffed animals that he fucked.
