## Cabinet Information

The standard upright uses Sega's standard steel construction. Other types are the DX or Twin model cabinets.

## Cabinet Style Weights and Measures

### Type

Deluxe/Themed (non-motion)  
Upright/Standard

## Cheats, Tricks, Bugs, and Easter Eggs

Hold down the Start button during the track select screen to choose from mirrored tracks. Hold down the Start button during the transmission select screen to remove the computer opponents. Holding the Start button while waiting for race the to start will select the remixed music (Japanese singer) instead. There are several more view options as well.

## Conversion

This game can be converted into *Daytona USA 2: Power Edition* with a simple ROM swap.

## Game Introduction

Absolutely the nicest damage to car effects ever made in a video game. The skid actions

are really detailed (smoke/tireburning).

## Miscellaneous

This is the only Model3 racing game that has a real type surround sound. When you are bumped from behind, you hear the sound in the rear left or right speaker.
