Lighthouse Description

“Lighthouse” is a one player, prize redemption game, where players attempt to move the lighthouse levels lamps from Level one, past level five and into the win level. If the win level is reached then the player can select a prize to be dispensed.

Lighthouse was produced by LAI in 2000.

LAI released 18 different machines in our database under this trade name, starting in 1979.

Other machines made by LAI during the time period Lighthouse was produced include Chicken Farm, Balloon Buster, Stacker Giant, Sonic Beat, Crazy Clownz, Miner's Revenge, Tickee Tickats, Ghost Hunter, Meteor, and Bee Bee Boppin'.

VAPS Arcade/Coin-Op Lighthouse Census

There are **12,007** members of the [Vintage Arcade Preservation Society](#), **9,525** whom participate in our arcade census project of games owned, wanted, or for sale. Census data currently includes **161,154** machines (**6,786** unique titles).

Scarce - There are approximately 4 known instances of this machine presumably owned by our current and past members. More are likely owned by non-members. 3 of these machines are owned by our active [Lighthouse collectors](#). And of these, 3 are original dedicated machines

Wanted - No active members have added this machine to their wish list.

At any given time, our active members are listing on VAPS on average of 4,400 games they are looking for, and 3,600 games for sale.

This game ranks a **0** on a scale out of 100 (100 = **most** often seen, 1=**least** common) in popularity based on census ownership records.

Rarity and Popularity independently are **NOT** necessarily indications of value. [\[More Information\]](#)
